(*Nos. 40 & 41.*)

SUBJECT No. 40.

A building for the A.-V. School at Gundlupet.

Mr. Chikmallappa, Gundlupet Taluk.

Summary of Representation.—The construction of a building for the A.-V. School at Gundlupet may be taken up during the current year.

Note.—Not discussed owing to the absence of the proposer.

SUBJECT No. 41.

Repairing bridge running across the Kotebetta tank.

Mr. Venkatramaiya, Nagamangala Taluk.

Summary of Representation.—The Kotebetta tank is big and deep; raiyats living in villages in front of the tank own lands below it. There was formerly a bridge across the tank for the use of the raiyats who wanted to go to their fields below the tank. This bridge is now in disrepair and therefore men have to walk a distance of 6 to 7 miles to go to their fields. Orders may issue for the repair of this bridge.

Note.—Not discussed owing to the absence of the proposer.
